*A Reverse Procurement Fair for Harford County Public Schools*

**Tuesday, June 11, 2013**

**7:30 – 10:30 a.m.**

**Richlin Ballroom, Van Bibber Road, Edgewood, MD**

All business owners are interested in opportunities to grow their company and generate revenue. Sometimes it takes just the right connection to make that happen. "Mastering the Purchasing Maze" provides you an opportunity to meet school leaders and procurement officials from numerous areas within Harford County Public Schools (HCPS). This unique program is presented by the Greater Excellence in Education Foundation (GEEF).

### WHY IS THIS EVENT IMPORTANT TO YOUR BUSINESS?

You will learn who the right people are to do business with for the products and services you want to sell. You can ask important questions and find out what Harford County Public Schools is looking to buy in the upcoming year and what you need to do to qualify. The event will also provide current information on new standards and provide you with information to improve your bids and proposals.

- Make all the right face to face contacts in one morning
- Receive contact information for buyers and contracting officers
- Meet companies that could potentially become your partner in preparing bid proposals

### SCHEDULE OF EVENTS

We will begin with a hot breakfast, followed by presentations by Dr. Robert Tomback, HCPS Superintendent of Schools, and Mr. Joe Licata, Chief of Administration. Following that, HCPS officials will be available for approximately two hours for an opportunity to talk one on one with you.
